## NS Occult History

4-29-2026 I started my psychic training in January 1986 with Trinity New Age Church (Spiritualist) with Betty Rider, Leona Johnson,Vera & Joanne in Eastern Bexley Ohio when I was a printer for the City of Columbus CETA program. I was working with Tom Jones A.K.A. Tommy Jay. We both had Bill Crockett as a boss. I had just came back from Nashville that July of 1985.

Message: "*Stay away from the psychic warfare going on in the world today. Stay focused on your remote viewing studies*".

5-2-2026 The kids say humans from different earth nations are working on"*Optical Camouflage*". But, they are not even close.

5-3-2026 **Shanna's** family name is **Brown**.

5-8-2026 O.C. & Ralph were raising "Holy Hell" with me and "General **Reptilicus**" last night. So when Heidi had to go on duty Shanna (*she did the darth veder*) took over and closed the little monkeys down big time! Shanna did not play. She came down on them like a ton of

bricks-very funny!

## Undal Blacknight

5-13-2026 I am between **3.4** and **3.5** point of evolution (P.O.E.). Also, **Undal's** last name is Blacknight.

That is, **Undal Blacknight Martin**. Her nickname is "**Shbrinka**". It means "*Family Pet*" on

Mars.

## Cross Feeding

5-15-2026 The number given to me by the masters is **3869.** This is my ID number. Sex Bolger Martin

and William John Martin plan to have a baby in about 50 years. All mothers in our breeding

program have underwent medical treatment to produce the same breast milk. This allows

moms to cross feed the kids. That way if duty calls they have a backup for breast feeding. It

also brings the moms very close psychologically, philosophically & sexually too. This is

how they can share organisms.

## First Meeting in Spirit With the Masters.

5-17-2026 Back when Kathy and I lived on Barnett Road in **1975**, on the east side of Columbus Ohio, I

was taken in spirit out of my body by Master Djwhal Khul to meet Master Maitreya. At the

time I knew nothing about the masters. Khul and Maitreya talked about my current life

cycle but I wasn't allowed to hear. On that day I was suppose to pick up a drum set after

getting back from having my 1st wisdom tooth pulled.  When I got back I fell into a 103°F

(39.4°C) fever which significantly ramps up the body's internal thermostat, speeding up

metabolism, heart rate, and breathing to fight off a severe infection! It caused intense chills,

heavy sweating, dehydration, muscle aches, and mental confusion or hallucinations.

Suddenly I was in a different world. My dentist said my 2 hour fever was not possible but

Kathy and Stick Hoffman witnessed me being totally unconscious. So, Kathy had Stick go

pick up my drum set. Master Djwhal Khul led me up some temple steps to meet Master

Maitreya. At the time I didn't know who or what these people where? Years later I painted a

painting of my experience showing me climbing the steps with Master Djwhal Khul. I gave

the painting to Tammy Boyer. Not sure if she still has it. Many years later my daughter **Jane**
told me that **Rom** the ET was also involved with that conference.

5-20-2026 The girls say that I am protected from government psychics 99% of the time but the
government listens to my *cell phone*. They watch my *computer*. Moboo says no more
babies. Now we can focus on enjoying being with each other.

**Remote Viewer Lt. Colonel Navy**

5-26-2026 **Question:** Will Kenson & Mooder be involved in ET contacts? "*Highly involved. High*
*level of governments! Giving advice on relations with ETs. Kenson has been delayed in*
*magical study until age 21. He should have started at age 14. Mooder is on time with her*
*occult studies".* Had mind to mind contact with "**Charlie**". He is a **Remote Viewer. Lt.**
**Colonel** in the **Navy** at **Forth Worth Texas**. He is looking for info on the ETs. Government
saw my posting on Social Media. Charlie spoke to me telepathically He said I was a "**B**"
class psychic. I can sense when I am being remote viewed by the government. Had 2rd
contact with Charlie the remote viewer. Was able to confirm "**B**" class psychic status &
"*etheric circuits*" by way of A.I. Google search!

Shanna says: "*Over time a women's menstruation cycle sets up a psychological habit*
*pattern. When a women stops her menstrual cycle and hot flashes occur the women still*
*get horny & wants sex. The women will still have sexual thoughts about a man. This is why*
*you can sense when she is having sexual thoughts about you. Both of you are in sexual*
*telepathic mind to mind contact. Her mind is programmed to have sex with a man. So Lynn*
*thinks about sex and you sense it in your it in your crouch area*". UFO's A.I. system just told
me that it will (See 6-8-2026) teach me in my dreams, how to interact & run UFO equipment.

5-30-2026 The problem for the psychic student in occult training is: "*Are you fooling yourself* " A big
problem is thinking the reading or omen is wrong that turns out later to be true". Only by

looking back at your pass can you know how the true and false readings or omens work &
their impact on your spiritual path.

6-1-2026 **Barda Red Wambe Martin** is her full name. **Shanna Brown Martin** is her full name.

6-4-2026 **MoBoo Blackstone-WhiteLight Martin** is her full name. **Susan Wilcox Martin** is her full
name. I've always been able to feel x-ray radiation. It makes my teeth or bones hum.
Master said: "*Time is right to send Rom log to Mufon*". I had been waiting until master said
it was ok to send. 1st time I sent it was 10-20-2025 but they had moved to a new address. So I resent on 6-4-2026

Mr. Wertman,

Enclosed is the document I promise. I feel a brief background summary may be useful in your analysis.

1.) I have read all 5 major occult works by Helena Blavatsky with understanding: Isis Unveiled 1 & 2, The Key to Theosophy, and The Secret Doctrine 1 & 2.
2.) I hold the position of Herald & Spokesman in Lord Maitreya Ashram who is the leader of the earth's Spiritual Hierarchy
3.) I began my spiritual training in 1985 and have study most of the world's ancient occult texts.
4.) From 1986 to 1992 I study with 5 State of Ohio Licensed Spiritualist/Psychic/Mediums misters at Trinity New Age Church in Bexley Ohio.
5.) I attend Columbus Community College and Major in philosophy at OSU from 1989 to 1994.

I have been task by my Masters & The Space Brothers to submit this "Log" to Mufon for research purposes. Moving forward I hope that future researchers may find this information useful. I am told that Mufon and other such organizations will needed a stronger background in the Occult Arts & Sciences in order to comprehend the many new ET mysteries about to be displayed to humanity in the years ahead. It is my hope that this "log" will provide one small "key" to understanding the new paradigm coming to humanity. There are many Contactees working behind the scenes with many world governments and private groups to bring about this "New World Order".

Thanks for your consideration;
